## MULTIPLIER EVENT IN VALENCIA 22/MARCH – LINK WITH THE UNIVERSITY

The second multiplier event of the project took place in Valencia, Spain, on the 22nd of March, 2017. A total of 41 local delegates and 7 international delegates (coming from UK, Germany, Lithuania and Portugal), discovered our main outcomes of the project, including the web-portal [www.onlineincubator.eu](http://www.onlineincubator.eu), the results of the research and the state-of-art report of Social Entrepreneurship in the different partner countries.

The activity was coordinated by the Spanish partner ([Amics.eu](http://Amics.eu)) and hosted by the University of Valencia ([IUDESCOOP\\_institute](http://IUDESCOOP_institute)). The University Research Institute in Social Economy, Cooperativism and Entrepreneurship, IUDESCOOP, is a centre of research, information, and, theoretical and practical specialization in the field of social and cooperative economy in its broadest sense. It is a specific research Institute. On behalf of the IUDESCOOP, Mrs. Esther Haro was welcoming the participants and explaining the different current activities of the institute. She also introduced [CIDEC](http://CIDEC) - Centre of European Information and Documentation on Public, Social and Cooperative Economy-, a documentation centre assigned to IUDESCOOP (University Institute on Social and Cooperative Economics) of the University of Valencia and to the scientific association CIRIEC-Spain.

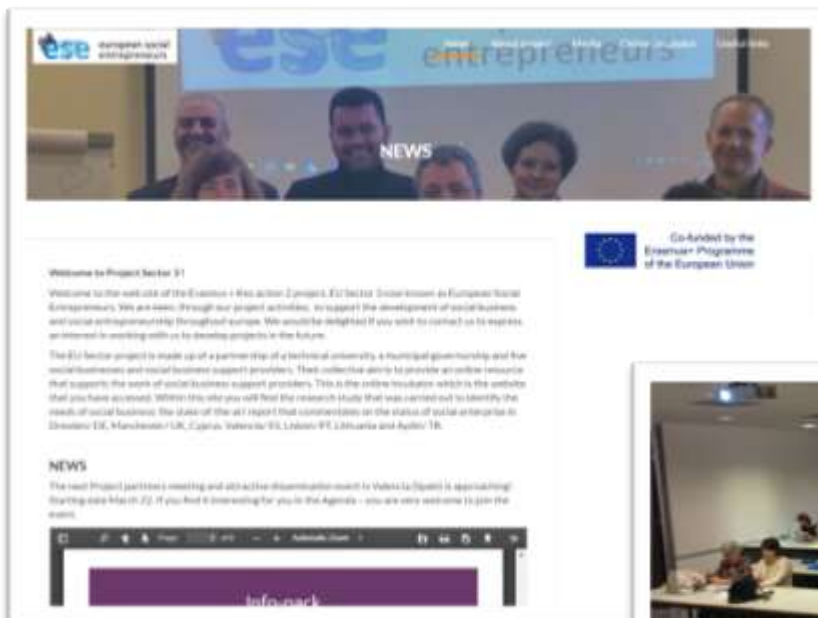

During the event, the different stakeholders participating also had the opportunity of networking and exchanging their contact details for the future partnerships.

The next multiplier event will take place in Turkey, during the month of July 2017.

## TRANSNATIONAL PROJECT MEETING - VALENCIA

The TPM-5 took place in Valencia, during the days 20-21 of March, and the agenda of the meeting included the overview of the progress of the Online incubator and the Social Business Support Model. Different issues regarding the web portal were discussed and all the paperwork and documentation was clarified by the coordinators Allan Lawrence and Alison Hornsby. The coordinators of the different partner organizations had time to work hard and also to enjoy the cultural life of the city of Valencia.
